OUR PHILOSOPHY

Summit is committed to social responsibility and leadership everywhere we work and live and they govern how we do business. Our core focus is to build a great company with exceptional people to preserve and restore our natural environment. An integral component of being a “great company” is being a responsible corporate citizen.

It is fundamental to our business and central to our brand. It means we live our core values. It inspires a code of conduct and ethical standards that shape the way we engage the environments and communities in which we work and live.

Summit fosters a workplace culture that is inclusive and respectful of all people. We value the cultures, traditions, and rights of Indigenous Peoples, and we recognize that we all have a role in the journey to reconciliation.
